JESSICA McNAMEE

The Packed To The Rafters star picks products that keep her looking great from top to toe

Sohum Coconut & White Peach Crème de la Crème, \$29.95

"A beautiful body moisturiser that leaves your skin really soft and smelling lovely."

Invisible Zinc Tinted Daywear SPF 30+, \$32

"I apply this every morning to protect my face from the sun, and to reduce wrinkles and sun damage down the track."

Eles Liquid Powder Mineral Foundation SPF 15, \$61.50

"The minerals in this foundation nourish your skin as you wear it and the powder finish means it doesn't leave your skin looking greasy once applied."

Matrix Sleek Look Hot Iron Smoother, \$24.85

"A great thermal protector for the hair. I spray it on before using irons to curl or straighten my hair."

Dermalogica Active Moist, \$58

"It moisturises the face but is oil-free, so it doesn't leave your skin feeling greasy."

Jimeale New York make-up bag, \$44.95

MAC Cosmetics Cream Colour Base in Rich Coral, \$35

"Applied on the cheeks, this cream gives a really fresh, young look. It's great because it can also be used as a lip colour."

Maybelline New York Full N' Soft Mascara, \$17.95

"This gives a really full-looking set of lashes, without leaving them guggy."
